DESCRIPTION OF SERVICES

Spring Start Up: Re-introduce water into mainline and inspect the entire system for leaks: mainline, lateral, and valves. Check all heads for proper operation and adjustments. Check controller for defects and program for spring operations. Any other services needed at spring start up other than what is list above will need a service call visit (I.E. Moving of irrigation heads, rerouting pipes, and or any review of systems.)

Inspections: Review all irrigation components for proper operation. Adjust all heads for proper coverage. Clean all nozzles not operating correctly. Reprogram controller to fit season conditions.

Winterizations: Purge of system by introducing compressed air into the main and lateral lines. Close down all supply valves. Set controller for temporary shutdown.

Rates for Service: Service technician: \$72.00/HR. – Laborer: \$40.00/HR. PLUS MATERIALS

Service Call Fee: A \$50.00 service call fee applies to each visit not scheduled as a routine contract service (I.E. Start Up, Inspection, and or Winterization)

Please Note: THERE WILL BE A \$50.00 CONTROLLER ADJUSTMENTS FEE IF BARTON'S IRRIGATION IS CALLED OUT TO ADJUST, RE-PROGRAM, AND OR RESET CONTROLLER.

Payment: You may call in with credit card information or fill out below. If filled out below the total amount will be charged upon receiving of contract. We do accept checks and they can be mailed to: Barton's 20689 Sussex Hwy Seaford, DE 19973. For all contracts not paid in full at beginning of year invoices will be sent after each service and are due in full upon receipt of invoice.
